D+CLINIC
Lovely Honey Cream

This cream is a high nutrition and moisturizing one. It contains 30% Manuka Honey produced by Manuka flower from uncontaminated natural green-space throughout New Zealand. The honey has rich vitamins and minerals, so it is called multi-vitamin. Instead of synthetic oil, honey serum contains with jojoba oil, quercetin and green seed oil. Through a long clinical demonstration, it alleviates Sickness, Minimizes hot feeling and irritation for no paraben.

How to Use
After serum, apply some on the face and be absorbed.
